ORDER

On April 1, 2021, we granted in part plaintiffs' motion for fees and costs as a result of defendant's spoliation. We directed the parties to consult and propose a figure for the sanction consistent with our opinion.¹ The parties have done so and agree on \$1,178,266.46. Accordingly, defendant is hereby ordered to pay \$1,178,266.46 as a sanction for spoliation to plaintiffs on or before May 19, 2021.
